## **IMPORTANT BARGAINING UPDATE**

*Wednesday, February 24*

# **30,000 Union Members Stand in Solidarity with Stop & Shop Workers**

**With 4 days left, concessions still on the table**

Ahold workers in D.C., Maryland, Pennsylvania, New Jersey & New York are telling management to give Stop & Shop workers a fair deal with letters and store visits.

Despite minor movement on both sides, we are still a long way from reaching a comprehensive agreement.

We are standing strong and refusing to make concessions.
