*"They changed our insurance without notice. They're taking more money out for the same insurance and saved thousands and thousands of dollars. I don't know where the money is. Somebody is doing something under the table. That's why we are fighting." - Alberto.*

*"We get paid stinky money. Stinky money means I work 40 hours a week and I can barely bring home \$300. I've been here for 5 years and I make \$10.70. How is that possible?" - William.*
