

UFCW 919- March of Dimes

Thank you to UFCW Local 919 for their support of Healthy Moms and Strong Babies. All of us at March of Dimes are truly honored to be the recipient of their First Annual Golf Tournament and thank each of you for your support of this incredible event.

March of Dimes is celebrating their 85th anniversary this year. As we look back on our history one thing is clear. **Organized labor has been with us since the beginning.** From President Roosevelt's original dime drive to today-labor has supported our efforts which has benefited thousands of families across the globe.

This year, we celebrate our lasting impact and continue to lead the fight for the health of all Moms and babies. Through our milestones we're not only celebrating, but also remembering our impact from the past 85 years. With generous support of our partners like UFCW Local 919, and our donors, we fight for every Mom and every Family.

We're committed to mobilizing the nation by amplifying the voices of woman & families, and we have a renewed commitment to helping moms and babies with the tools, technology, and care they need. Together we can and we will help change the outcome for families across the country.

Thank you on behalf of everyone at March of Dimes, and most importantly the families we serve
With your support.
