

NEW ENGLAND STOP & SHOP UNITY BARGAINING NOTICE

We're your Stop & Shop unity bargaining committee, and we're gearing up to face the company once again this February 11th and 12th to keep fighting for the contract we deserve. We're made up of rank-and-file union workers at Stop & Shops across New England - from cashiers, to meat-cutters, to clerks, and every other essential role in our stores.

On Sunday, February 15th, each Local will have a contract meeting to go over updates from the bargaining table and hold a vote on the latest offer. If we don't vote to accept the company's most recent offer, there will be strike authorization votes as well. This meeting is a chance to ask questions and make your voice heard.

These are our stores, our communities, and our contract. Together, we'll win the contract we deserve.

 In Solidarity,
Your Stop & Shop Bargaining Committee
